

CHICAGO'S

SPOKEN

FOUR

It's your big event. Of course it needs to be memorable. Engaging. Special. And it's all about the music—you know that. That's where Spoken Four makes it easy. If you're looking for energetic, absolutely dynamic music—music that will set your event apart from all others—Spoken Four is your band.

Musical. Infectious. Non-stop.

How do you energize a dance floor? It's all about the transitions. The seamless transitions between songs. Just ask any DJ. But what if a band could do that live? What if a band could start playing and simply never stop, creating musical segues from song to song to song, all night long? That would be truly extraordinary. And it really is. From rock to pop, R&B into hip-hop, country through funk—Spoken Four performs masterfully, seamlessly, live. Your eyes won't believe your ears. Watch as your dance floor fills to capacity. Then enjoy a non-stop, high-energy, hands-in-the-air party.

Classic. Contemporary. Never cliché.

Spoken Four performs over five decades of music. All your timeless favorites, from every great time, but never locked in time. They'll rock your childhood fave, then they'll tear the roof off with today's smash. If there's an emerging trend in music, Spoken Four has it covered—mastered. The band is comprised of the finest, top-tier musicians in Chicago, and they bring the city's pride and soul to audiences nationally.
